

## Appearance Test Day – Continental

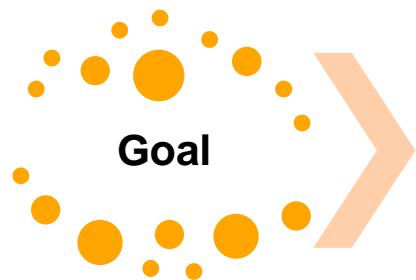

24.07.2021 at Golfpark Hainhaus

# Feet Whisperer

– a smart e-Insole –

is a virtual coach that helps improving your golf play  
- by analyzing your feet and motion behavior - and  
provides real-time feedback of your swing

# „Fore!“ – Motional intelligence on the golf course.

**Goal**

Combine swing and innovation for the next golf revolution

**Smart mix**

Perfect combination of surface technology and artificial intelligence

**Improvement**

From the center of pressure analysis to better stroke

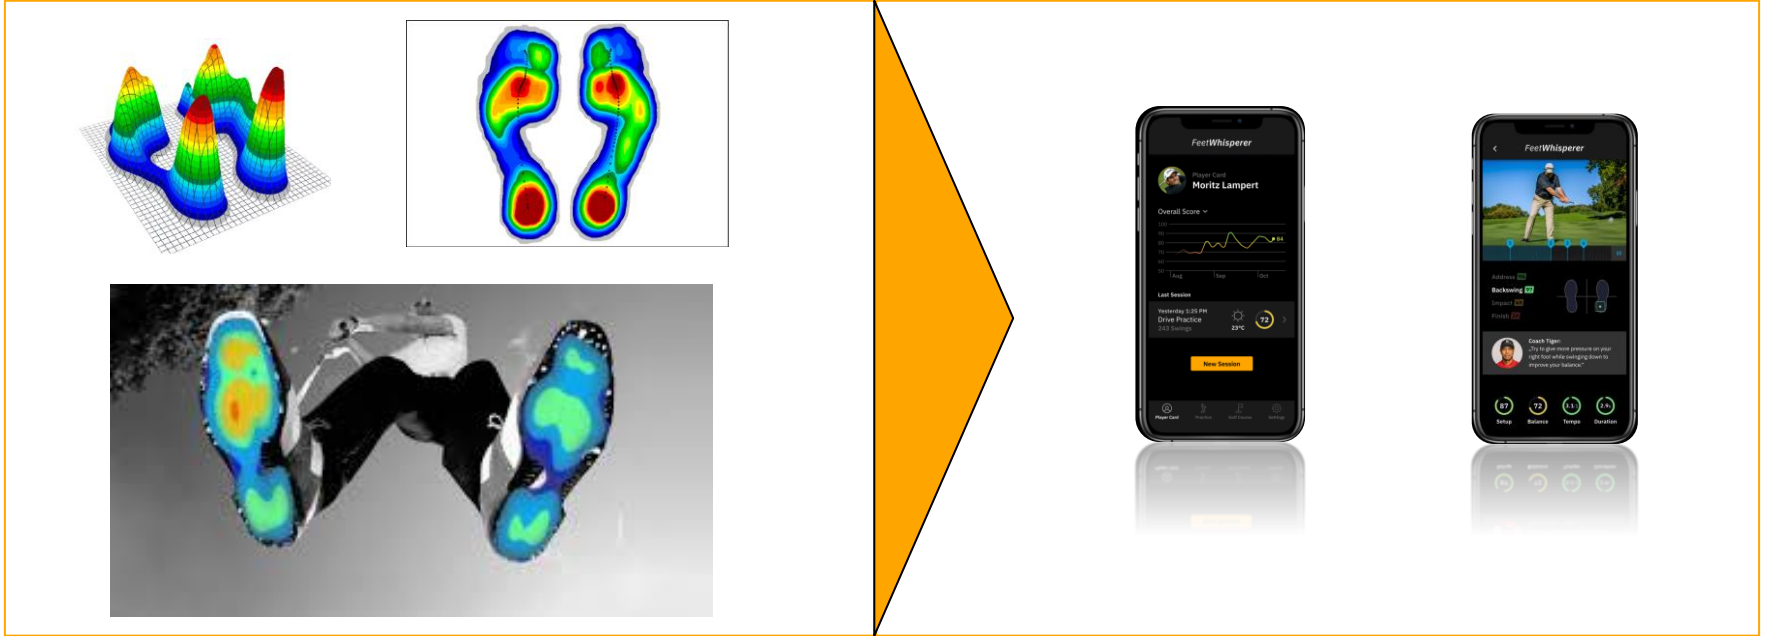

**Vision**

Feet Whisperer - The best personal coach - whenever and wherever you need it!
